Subject: Tribal involvement and contacts for Bradford Island

Hi Ken,
Here are the tribal reps on the Technical Advisory Group (TAG):

Brandy.Humphreys@grandronde.org
Holly.Partridge@grandronde.org
jackb@nezperce.org
lonr@yakamafish-nsn.gov
Marissa Merker marissam@nezperce.org
Laura Shira shil@yakamafish-nsn.gov
tim.outman@ctwsbnr.org

I got this from an email to the entire TAG. In case it's useful, I've included an email below with the TAG email list.

As for involvement, Yakama is very involved as you know. Laura Shira is their main rep for the TAG meetings. McClure Tosch was very involved until a few months ago, when he was assigned to Hanford, which I understand takes most/all of his time.

Marissa Merker (Nez Perce) attends most TAG meetings, usually by phone.

Warm Springs and Grand Ronde have not been involved much, to my knowledge.
Bob

Subject: Transmission of Trip Report for SBA Tree Area - Bradford Island (UNCLASSIFIED)

CLASSIFICATION: UNCLASSIFIED

Hello TAG Members,

I have uploaded the Tree Trip Report to AMRDEC SAFE. If you did not receive an email with a link and password, please first check with other members of your organization. If no one received it, then please let me know.

Some reminders for the site visit at Bradford Island this Thursday:

- Start: 10:00 am in the Auditorium Building, plan to arrive 10-20 minutes early to check in at the security desk.
- Bring: sack lunch, hard hat (if you have one)
- Wear: comfortable walking shoes, clothing suitable for the weather (currently forecasted: high of 75 deg, 80% chance of rain)

If you haven't already indicated that you or others from your organization are coming in person, please let both Missy and I know.

At this point we will plan to have the conference line open for those wanting to call into the indoor portions of the agenda (currently 10:00 - 10:45 am and 1:15 - 3:00 pm). If our schedule varies, I will send out an email letting people know when we begin the indoor portions.
